SIP registration using Zoiper

1. Install the Zoiper softphone app on your Android or IOS device:
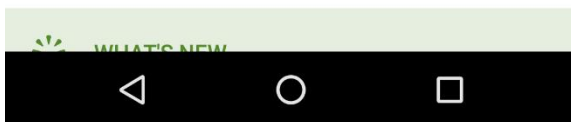

2. Open the app and press the 'Config' icon on the top right corner for Android / the Settings icon on the bottom right for IOS. Select the Accounts option:
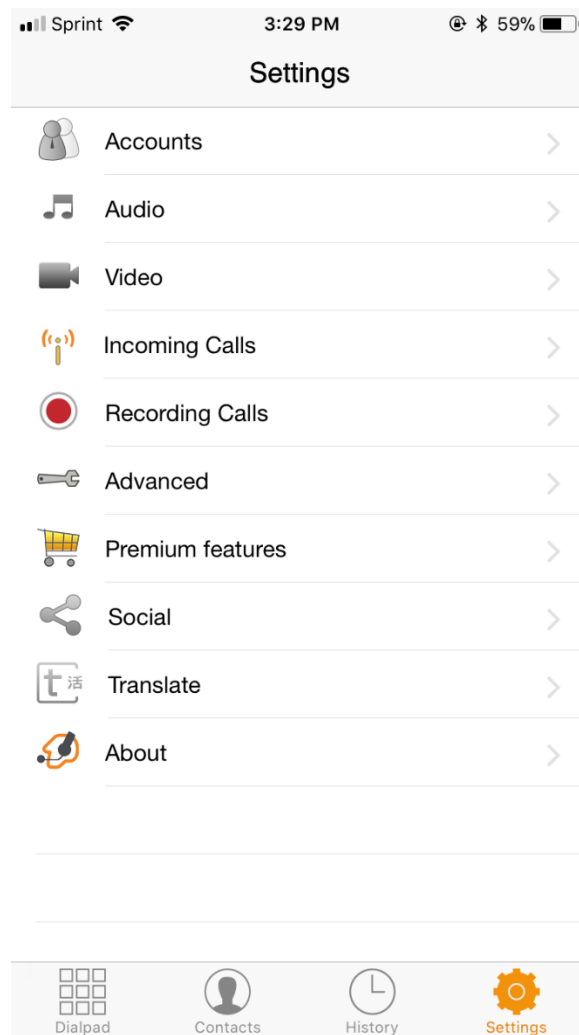

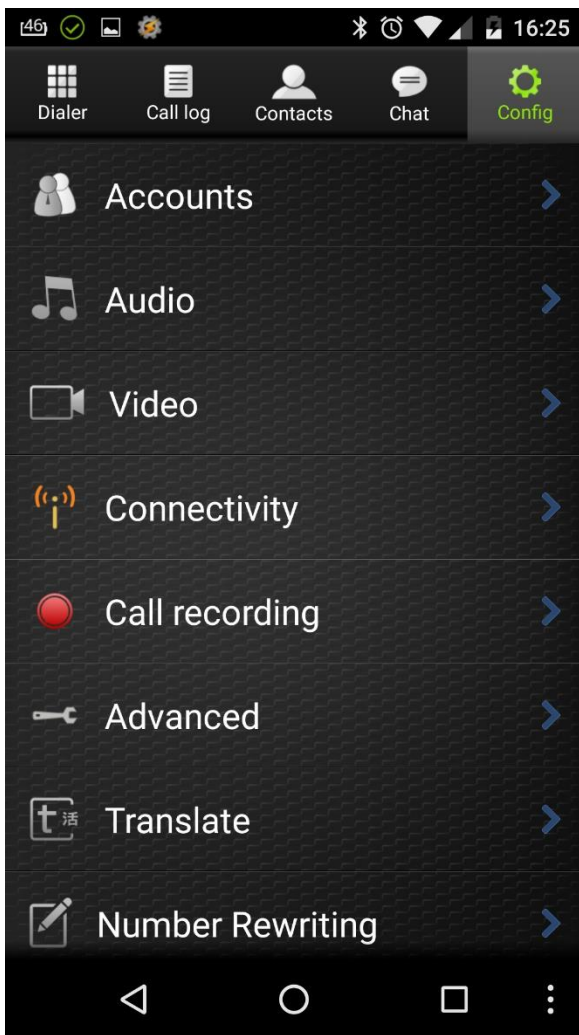

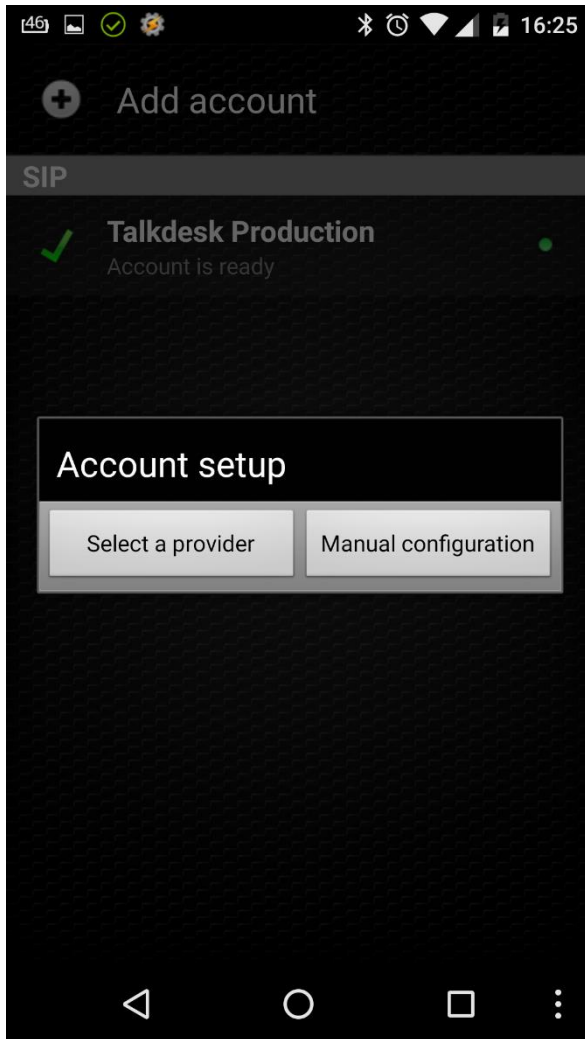

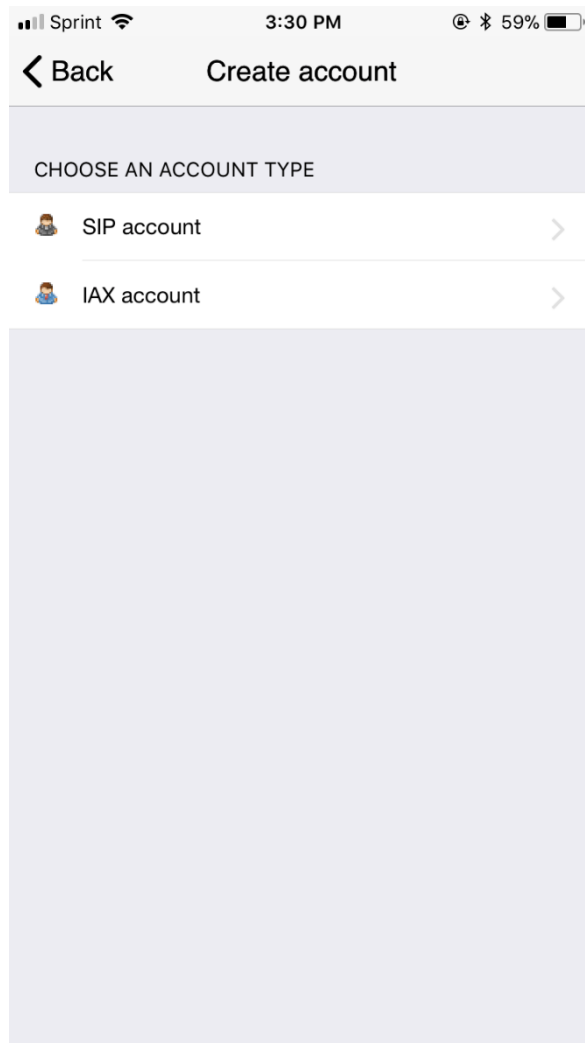

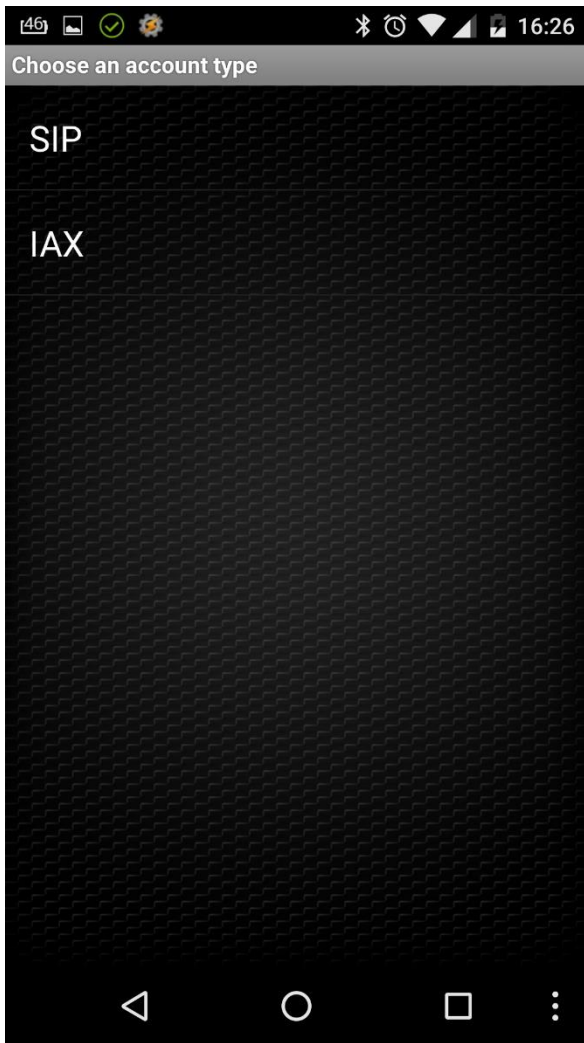

3. Click on 'Add account'.

4. Click 'Yes' under 'Do you already have an account (username and password)' (Android vs IOS view):

5. Choose 'Manual Configuration'.

6. Select SIP (Android vs IOS view):

7. Fill in the details of SIP account (Android vs IOS view):

Account name: 5804XXXX

Host / Domain: 1511.zonetel.com

Username: 5804XXXX

Password: (Password provided in the e-mail)

Authentication user / Auth username: 5804XXXX

That's it, your softphone is now ready to make and receive calls!
